Coronavirus COVID-19
Update for March 14, 2020

TO OUR FRIENDS AND NEIGHBORS

As the spread of Coronavirus COVID-19 continues to impact the world we are continually evaluating and exploring all options regarding Museum operations.

Therefore, out of an abundance of caution and to assure we are doing all we can to help minimize the potential spread of the virus, we have elected to close the Museum to the public effective at the end of business Saturday, March 14, 2020.

At this time, the Museum will remain CLOSED to the public through Sunday, March 22. We will reevaluate options for public operations on a week-by-week basis. The Gilmore Car Museum is committed to the health and safety of everyone who visits—our guests, volunteers and staff. We are staying abreast of the ever-evolving situation and following advice from the Federal Centers for Disease Control and Prevention (CDC), as well as state and local officials.

All updates will appear on the Museum website GilmoreCarMuseum.org and social media.

STATUS OF UPCOMING EVENTS

March 15th Lecture
"The Gale and Park Theaters - A History" by Keith Martin, Historian
Live Streaming Event Only, 3pm

The week’s lecture will take place as a video streaming event ONLY on FACEBOOK LIVE and will later be available to view on the Museum’s YouTube Channel.

We encourage you to also check out many of our prior lectures available on the Museum’s YouTube Channel.

Gilmore Garage Works – High School Restoration Program
CLOSED through April 14

Our High School after-school program will be on hiatus during the State’s mandated K-12 closure and scheduled spring break and is expected to resume April 14, 2020.

IN THE MEANINGLET . . .
Please stay tuned to GilmoreCarMuseum.org and Facebook as we have exciting plans to bring the Museum to you during this time of closure.

Thank you for your continued support as we do our part to help stop the spread of the Coronavirus COVID-19 outbreak.

The Coronavirus COVID-19
Update for March 13, 2020

TO OUR FRIENDS AND NEIGHBORS

The Gilmore Car Museum is committed to the health and safety of everyone who visits—our guests, volunteers and staff. We are staying abreast of the ever-evolving situation related to the worldwide Coronavirus COVID-19 outbreak and following advice from the Federal Centers for Disease Control and Prevention (CDC), as well as state and local officials.

The Museum, with its unique open-air, 90-acre historic campus, provides guests with natural Social Distancing—simply maintaining space between yourself and another. To date, the museum will remain open to the public during our normal hours of operation. We are closely monitoring the situation daily and all upcoming events and programs will be reviewed in a timely and individual manner. All updates will appear on the Museum website GilmoreCarMuseum.org and shared on social media.

STATUS OF UPCOMING EVENTS

Visiting the Museum
OPEN - general public hours as noted above

March 15th Lecture
"The Gale and Park Theaters - A History" by Keith Martin, Historian
Live Streaming Event Only

Out of an abundance of caution and in response to CDC recommendations that during the next several weeks “close gatherings of 100 people or more be avoided,” we have prudently decided to hold this week’s Lecture Series as a video streaming event only. Presenter Keith Martin has graciously agreed to allow us to stream his lecture on FACEBOOK LIVE and, at a later date, it will be available to view on our YouTube Channel.

We encourage you to watch Keith’s lecture on Facebook Live at 3pm on Sunday, 3/15/2020 and check out many of our prior Lectures on the Museum’s YouTube Channel.

Under the Hoods
Special opportunity to view the Under the Hoods of our collection
OPEN through Sunday March 15

Gilmore Garage Works – High School Restoration Program
CLOSED, returns April 7
This engaging High School after-school enrichment program will be on hiatus during the States’ closure of all K-12 schools until April 6.

While visiting the Museum we encourage all patrons to use discretion and follow best hygiene practices as published by the CDC:

- Washing hands often with soap and warm water for 20 seconds.
- Refraining from touching your face.
- Staying home if you’re feeling unwell.

You can rest assured that the Gilmore Car Museum is continually implementing extra precautionary measures such as:

- Routinely disinfecting commonly touched surfaces.
- Providing additional hand sanitizer throughout.
- Constant re-evaluation of the situation.

Thank you for joining us in these commonsense measures to protect yourself and others and help stop the spread of the Coronavirus outbreak.
